

# HIV ASSOCIATED NEUROCOGNITIVE DISORDER

ADPHPS and Positive Life NSW will be holding a meeting for people living with HIV Associated Neurocognitive Disorder (HAND) who are interested in forming a support group.

The objective of the group will be for participants to normalise the challenges of living with HAND by developing and sharing ideas.

Positive Life NSW will also be launching a new resource: *HIV Associated Neurocognitive Disorder*.

**THE FIRST MEETING WILL BE HELD ON  
FRIDAY 23 FEBRUARY, 10.30am – 12pm**

ACON Building, 414 Elizabeth St, Surry Hills  
Level 3, Rooms 3.11 & 3.12
